

The basic American Standard AccuLink™ Remote Thermostat system installed by your local independent dealer includes:

American Standard AccuLink Remote Thermostat

- Control temperatures and set schedules remotely through the Schlage LiNK™ web interface.
- Receive text alerts for filter changes and maintenance reminders.
- 7-day programmable thermostat with up to 4 intervals per day.

Schlage® Bridge

- Manages communication between devices on your Schlage LiNK™ network.
- Securely links your Z-Wave enabled devices with Schlage LiNK™'s servers for web-enabled control and connectivity throughout your home.

Schlage® Appliance Module

- Allows you to turn lights and small appliances on and off remotely with a web-enabled phone and the Schlage LiNK™ web interface.
- Controls lighting via schedules, so your home looks occupied even when you're gone.
- Expand your Schlage LiNK™ system with additional appliance modules as needed.

Expand your Schlage LiNK™ network with additional Z-Wave® enabled devices.

The AccuLink™ Remote Thermostat system, controlled through the Schlage LiNK™ interface, is based on a secure communication standard known as Z-Wave. You can make your home as automated and secure as you wish by adding up to 200

Expand your system, your peace of mind and your convenience with these optional Schlage LiNK™ components.

Schlage® Wireless Locks

- Operates without keys, storing up to 19 different user codes.
- Receive text or email alerts whenever specific codes are entered.
- Remotely enable 24-hour temporary codes via most web-enabled cell phones or computers.
- Choose a Bright Brass, Satin Nickel or Aged Bronze finish to blend seamlessly with your décor.

Schlage® Camera

Monitor home activities with a live video feed to your web-enabled cell phone or computer.

Schlage® Light Module

When plugged into an outlet with a Schlage® Light Module, lights can be turned on, off or dimmed from anywhere.

Here's what you'll need to get started.

- An active broadband connection and one free router port
- A computer with internet access, using a supported browser
- A valid email address
- A compatible cell phone with an internet data plan and SMS (text

The Schlage LiNK™ System also requires a monthly subscription fee* to enable remote access via most web enabled cell phones and computers.

6 Month* Subscription Trial Period Included

When purchased from an American Standard Heating & Air Conditioning dealer
